Siloam Springs Police Search for Fraudulent Dentist Targeting Spanish Speaking Families

Tuesday, March 3, 2015 (*Siloam Springs, Ark.*) Siloam Springs Police are searching for Jesus Enrique Lopez-Portillo. He is being investigated for practicing dentistry without a license. Lopez-Portillo targeted Latino families in Siloam Springs Arkansas in September of 2014.

Jesus Enrique Lopez-Portillo agreed to perform dental services in individuals' homes at a discounted rate. He claims he is a "missionary dentist" but has no dental license to practice. His victims have had to seek legitimate dental care to correct damage and injuries they sustained from his services.

Lopez-Portillo works with woman names Gudelia Betancourt. She drives a silver 2002 Chevrolet Tahoe- Oklahoma license plate 140JOW.

Siloam Springs Police Sergeant Todd Brakeville says, "There could be many more victims who have not reported this crime. Lopez-Portillo is dangerous sand we need help from the community to find him." Anyone who has information about Lopez-Portillo or Betancourt should contact Siloam Springs Police at 479-524-4118 ext. 2215.
