The City of Siloam Springs offers a variety of utility services including electric, water, sewer and sanitation. Listed in this brochure you will find information about City utility departments and rates. We hope you find this information helpful. Thank you.

Utility Services

All service activity (including connection, disconnection, or transfer of service) requires the customer's signature be obtained at the Utility Office which is located in the City Administration Building at 400 North Broadway.

All utility customers must have the physical address for their property posted where it is clearly visible from the street. Services will not be connected until this address is posted.

If you experience any electric, water, or sewer problems please contact the Utility Office at 524-5136 during regular business hours. For afterhours service please call Police Dispatch at 524-4118.

Utility Deposits

Residential Electric	\$ 80.00
Commercial Electric	\$100.00
Water - All	\$ 40.00

Letters of credit are accepted and will reduce the deposits by one-half.

Transfer/Connection Fee: \$15.00 service fee is required for service transfer or connection. Customers who are disconnected for nonpayment of account will be charged a reconnect fee of \$25.00 for electric and \$15.00 for water.

If service is reconnected after regular business hours, an additional after hour fee of \$50.00 will be charged. Any customer who tampers with their electric or water meter will be subject to a penalty of \$75.00 per meter. It is a violation of City ordinance for a customer to supply power to another customer. The City has the authority to disconnect service and/or administer fines
