ROAD BORE PROCEDURES

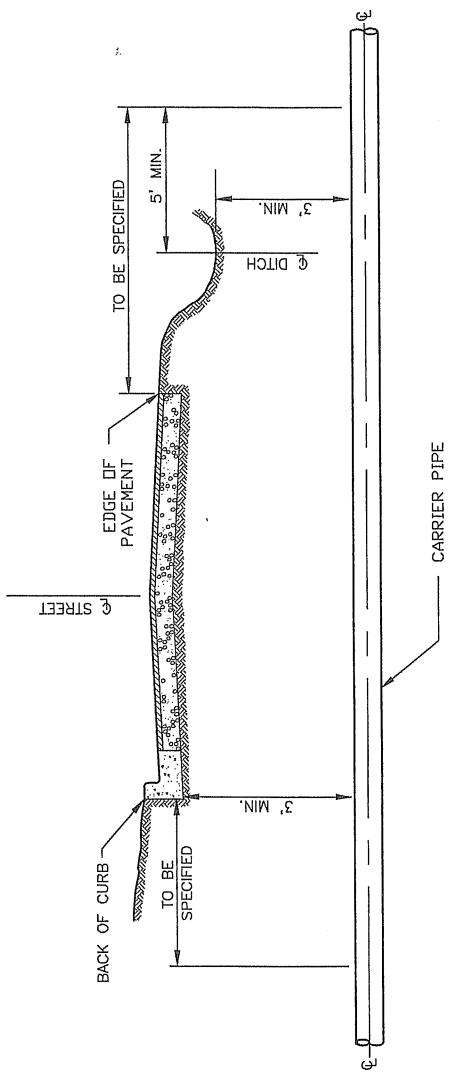

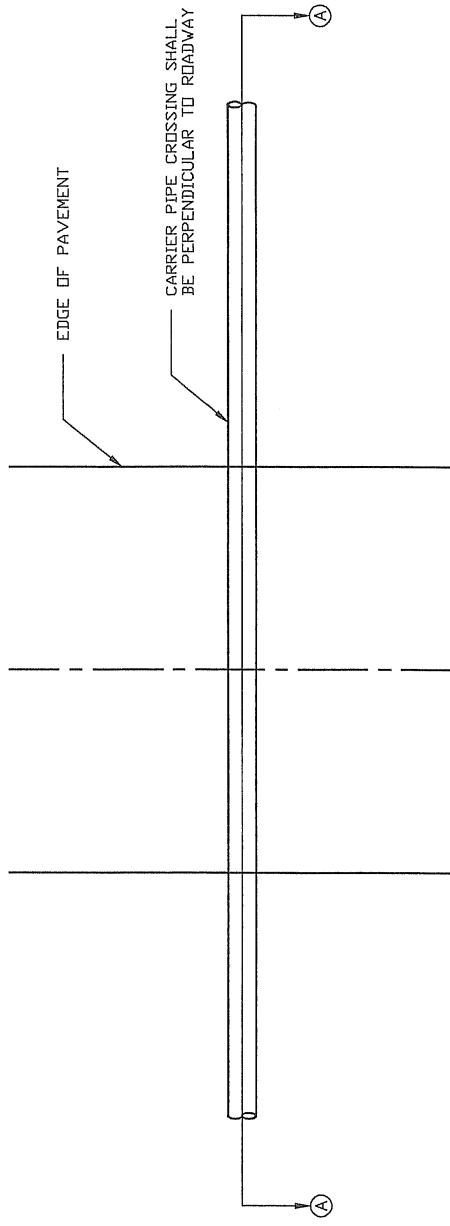

NOTE: The presence of rock shall not justify a street cut in lieu of a roadway bore unless approved by the City Engineer.

1. No street bore shall take place until the application process is completed and approval is granted by the City of Siloam Springs Engineering Department. Seven (7) days notices is preferred prior to commencement of work. Total permit cost is \$100.00.
2. Prior to the issuance of a permit, the applicant shall post a surety bond, cash, or irrevocable letter of credit in the sum of \$2,500.00 to be held by the City for a period of twenty-four (24) months.
3. Work zones meeting Manual on Uniform Traffic Control Devices (MUTCH) regulations must be set up at all bore locations to ensure worker, traffic and public safety.
4. The contractor is required to call for all utility locates from Arkansas One-call at 1-800-482-8998 prior to commencement of work.
5. The City of Siloam Springs Engineering Department must be notified before any boring is done. NO BORING SHALL EBGIN WITHOUT THE PRESENCE OF A MEMBER OF THE ENGINEERING DEPARTMENT. Please call the City of Siloam Springs Engineering Department at 479-238-0927 during normal working hours to set up an inspection time. Normal business hours are Monday – Friday 8 am to 5 pm. Any party needing to make an emergency street bore after hours must call Police Dispatch at 524-4118. A \$20.00 per hour charge will be assessed to all after hours call outs, in addition to the normal charges.
6. The minimum depth for a street bore is thirty inches (30”) depending on the size of the utility.
7. Pits must be left open until the final inspection is completed by the City of Siloam Springs Engineering Department.
8. The party making the bore shall be responsible for the cost of any repairs to the City Street if any damage should occur during the boring process; said party shall also be responsible for any future repairs for a TWENTY-FOUR (24) month period due to settling of the street caused by the boring.
9. The surety bond, cash, or irrevocable letter of credit on file with the City shall be returned to the applicant only after the city has conducted and passed the two (2) year inspection.
10. This procedure does not allow for any open cutting of the street.
